

ULTIMATE MOVING VAN SIZING GUIDE

Choose the Right Van for Your Move in Chelsea

Moving can be a thrilling new beginning, but it can also feel overwhelming. At Man and Van Chelsea, we understand the challenges of moving, and we're here to help. This guide is designed to assist you in selecting the perfect van size, ensuring your move is as smooth and efficient as possible.

Van Sizes Explained

1. Small Van (e.g., Transit):

- Capacity: Up to 1.5 cubic meters
- Best For: Single items, studio apartments, or small flats.
- Examples: Small furniture, boxes, and personal items.

2. Medium Van

- Capacity: Approximately 3-5 cubic meters
- Best For: One to two-bedroom flats or small houses.
- Examples: Sofas, dining tables, and several boxes.

3. Large Van

- Capacity: 6-9 cubic meters
- Best For: Larger homes with multiple rooms.
- Examples: Larger furniture, appliances, and several boxes.

4. Extra-Large Van

- Capacity: 10+ cubic meters
- Best For: Big moves, such as three or more-bedroom houses.
- Examples: Complete household moves with extensive belongings.

Why Van Size Matters?

Choosing the right van size is crucial for:

- **Cost Efficiency:** Avoid overspending on fuel and hire costs.
- **Time-Saving:** Prevent multiple trips and streamline your move.
- **Peace of Mind:** A well-fitted van means less stress.

How to Determine the Right Size?

- **Count Your Rooms:** More rooms equal more items.
- **List Large Items:** Identify significant furniture and appliances.
- **Evaluate Packing Style:** Consider the number of boxes you'll use.

Tips for a Successful Move

- **Declutter:** Donate or sell items you no longer need.
- **Pack Smart:** Use sturdy boxes; distribute weight evenly.
- **Label Boxes:** Clearly mark contents and their destination room.
- **Book Early:** Schedule your van ahead of time to secure your size.
